

Refrigerator Recycling Rebates

Help your congregation win the *Energize Your Congregation!* Energy Challenge by recycling your fridge or freezer to earn 1 pt per fridge or freezer.

Try a safe, helpful way to get rid of that old, still-functional fridge or freezer—and pick up a nice rebate! Program participants must be residential, electric customers of Xcel Energy with a valid account number, and own an operational 10–30 cubic-foot refrigerator/freezer picked up from the residential address listed on the billing account. 'Operational' is defined as being capable of cooling/freezing.

Get Started! This seasonal program ends Oct. 31.

- 1) Make an appointment for your free refrigerator pickup.**
Call 1-800-599-5795 or schedule online at xcelenergy.com/Fridge.
- 2) Plug in your fridge or freezer the night before the pickup date.**
(The unit must demonstrate full operational capability when inspected at the time of pickup).
- 3) Xcel Energy will pick up the refrigerator or freezer and recycle it at no cost to you.**
- 4) The \$35 rebate will be mailed to you within four weeks of pickup.**
Xcel Energy will also throw in two CFL light bulbs to use wherever you want.

For more information please visit xcelenergy.com/Fridge.

Why Recycle?

You could save nearly \$100* in annual energy costs while helping reduce emissions of greenhouse gases and ozone-depleting chemicals.

*Note: Energy savings is based on ENERGY STAR® estimates, and varies.
