Meeting closure provisions: In accordance with Minnesota State Statute 13D.05, subd. 3(d) the meeting may be closed to the public in order for members to receive security briefings or reports, discuss issues related to security systems, emergency response procedures or security deficiencies or make recommendations regarding public services, infrastructure or facilities when it is determined that disclosure of that information would pose a danger to public safety or compromise security procedures or responses.

Minnesota Government Data Practices Act – Security Information: Minnesota Statute 13.37, Subd. 1, provides for withholding disclosure of certain government data which would be likely to substantially jeopardize the security of information, possessions, individuals or property.

**Please note: A quorum of the council
may be present at this meeting.**
