August 9, 2018

The City of Maplewood would like to invite you to a community open house to kick-off planning for the future of the North End. The open house will be from 5:30 p.m. to 7:30 p.m. on Tuesday, August 21, 2018 at the Ramsey County Library, Maplewood at 3025 Southlawn Drive.

The purpose of the open house is to inform you about the planning process and how you can be a part of shaping a vision for the North End.

As a resident, business owner or property owner, you know firsthand how important the North End area is to the City of Maplewood and the northeast metro. It is a hub for retail and healthcare services, and it contains a vibrant and growing residential neighborhood with a wide range of housing options.

With the planned Rush Line BRT and the rapid transformation of the retail industry, now is the time to chart a path to the future for this important area. I hope you will come to meet your neighbors and learn how this process will unfold, how key market trends are driving change in the North End, and how planning for the Rush Line BRT will impact the North End.

Please mark August 21, 2018 on your calendar and plan to attend. If you have any questions regarding this meeting, please visit www.maplewoodmn.gov/northend or you can email me at 2040@maplewoodmn.gov or call 651-249-2040.

Thank you for your time, and I hope to see you at the open house.

Sincerely,

Michael Martin
Economic Development Coordinator
