

BUCKTHORN REMOVAL DEMONSTRATION

**SATURDAY,
SEPTEMBER 8**

**10:00AM –
12:00PM**

**FREE!
Register by
Tuesday,
September 19**

AT APPLEWOOD PRESERVE—MAPLEWOOD

For Adults.

- Learn how to identify common and glossy buckthorn and the beneficial look-alikes you should protect.
- We'll discuss updated best management practices, weed establishment vs native regrowth after removal.
- Learn how to safely use buckthorn herbicides.
- Try out your new skills by cutting and treating buckthorn to earn a Buckthorn Blaster to take home!
- **Participants must wear personal protection equipment:** long pants, long sleeved shirt, shoes plus long socks; and chemical resistant gloves (only butyl rubber, nitrile rubber, neoprene rubber or viton. No cloth, leather or household latex). We will supply eye protection.

FREE! Registration required. Register online by **Wednesday, September 5** at www.maplewoodnaturecenter.com and click on the RegisterOnline-Go button, or call 651-249-2170.

Activity Registration #16144.

Also, **Maplewood Buckthorn Curbside Pickup** will be the week of Oct. 29. Register online by Thursday, Oct. 25.
