

WRITTEN ADDENDUM

Subject: Amendment to Request for Proposals for Professional Architectural Design Services and Construction Support for the North Fire Station Replacement Project

From: Michael Mondor, Chief of EMS

In response to COVID-19, the City of Maplewood's facilities are closed to the public. We understand that individual workplaces have instituted a variety of changes in their normal operations which may impact their ability to successfully submit a hard copy of the proposal.

Given the circumstances, the City of Maplewood is waiving the requirement to deliver a hard copy of the proposal. All proposals submitted by 4:00 p.m. CST on March 20, 2020 in electronic form will be considered. Proposals must be sent to michael.mondor@maplewoodmn.gov
