FILING REQUIREMENTS

You must provide all of the following items with your application:

- A written statement explaining your reasons for requesting this vacation and why there is no public need for the street, alley or easement.
- A list of property owners and their addresses that abut the street, alley or easement. The City can provide this list upon request.
- An application fee of \$1,200 for vacations. In addition, you must include \$46 to pay the County for recording a City resolution. Make your checks out to the City of Maplewood. **The application fee is non-refundable.** The recording fee is refundable if the City Council denies your application.
- A map that shows the exact area you want vacated. This map shall include all utilities in the area proposed for vacation.
- A signed copy of the attached petition form. If a majority of the abutting property owners sign the petition, the City Council may approve the vacation by a majority vote. (The City considers a husband and wife to be individual owners if they are both listed as property owners.) Without this petition, the Council may only approve the vacation with at least four of the five members voting to approve the vacation.

NOTES

Try to discuss your proposal with any other property owners that abut the street, alley or easement before you submit a formal application. Any conflicts that you can resolve ahead of time will make it easier and faster for the City to process your application.
